*For Lab employees who require safety shoes for their work, take the filled out shoe form to your supervisor to be approved for the \$80.00 the lab provides towards the purchase. For safety shoes that cost over \$80.00, the portion of the cost over \$80.00 will be made payroll deductible from the employee's paychecks. The shoe mobile sells cushion insoles for \$5.00 that can be added to the payroll deduction. For personnel that are not eligible for the lab provided \$80.00 subsidy, Iron Age will pass on the discount provided to the Laboratory for any person who wishes to purchase a pair themselves.*
